

Where Future Leaders Converge

Dear Prospective Partner,

On behalf of the entire Universal Model United Nations, I thank you for taking interest in partnering with our organization giving us your valuable attention.

Our newly established international organization is immensely pleased to have begun searching for potential partnerships and has taken immense interest in your substantially successful organization. Hence, we would hereby like to offer a proposal for long-term collaboration and partnership with your respective organization.

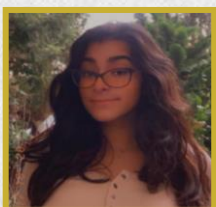

This brochure contains the details regarding our organization along with the information on our upcoming conference from the 10th-11th of July. The Universal Model United Nations offers a unique opportunity to promote your brand in our conferences to hundreds of distinguished, passionate and talented individuals from around the globe as well as to create a healthy and beneficial long-term partnership for growth and accomplishing our objectives.

The Universal MUN team hopes to take significant steps into the future with your organization by establishing this collaboration that develops in both interests while continuing to ensure the voices of the youth are heard for a brighter future for our planet.

If your organization wishes to provide any other offers, suggestions or potential ideas regarding this collaboration, please feel free to reach out to us directly as well.

Thank you so much for your time, and please do not hesitate to reach out at universalmodeledunitednations@gmail.com if you have any queries or concerns. We hope to hear from you!

Sincerely,

Riya Sabherwal

UNIVERSAL

Model United Nations

Who We Are:

The Universal Model United Nations is a growing organization aiming to hold international virtual conferences and simulations for aspiring leaders and debaters worldwide concerning the United Nations in 2021 and beyond. It is centred around individuals learning about diplomacy, debate, foreign policies, and international relations through broadening their knowledge to solve current world affairs. Youths of all ages will be exposed to unfamiliar cultures, ethnicities, ideas, and people to channel their own perspectives to reach commonalities. We will build research, critical thinking, collaboration, and communication skills vital for any futuristic ambitions and open-minded global citizens desired in our ever-changing world today.

With immense pleasure, we invite you to be a part of Universal Model United Nations, to work together towards finding and refining the leaders in you.

Where future leaders converge

UNIVERSAL

Model United Nations

Why collaborate with us?

We want to build research, critical thinking, collaboration, and communication skills vital for any futuristic ambitions and open-minded global citizens desired in our ever-changing world today.

UMUN strives to help people channelize their own perspectives to reach commonalities, which will not only help academically but also in growing socially. Universal Model United Nations is seeking collaboration in order to promote understanding of international diplomacy and to provide an environment in which youths can develop public speaking and leadership skills. We would be ecstatic to have your organization's support in furthering our mission. UMUN is not only interested in your contribution, but we also seek a lasting partnership based on mutual interest.

We believe that together, our organizations will be able to grow together to reach new heights and achieve our objectives.
